# ABOUT US

Established in 2015, Pool Masters is specialized in swimming pool construction, maintenance, landscaping, designing, refurbishment, and swimming pool equipment trading. Our objective is to deliver the best quality service at an affordable price designed for the customer's comfort with safety in mind.

Within the span of 7 years, we have obtained a reputed name in this industry/sector in all works related to swimming pool and landscaping. We have a team of dedicated and certified professionals to provide accurate services and products by maintaining hygiene, functionality, and safety of the swimming pool.

We inspect the condition of pools and equipments during every site visit and helps the customer to maintain chemical balance in the swimming pool. Whether it is a one time check up or annual maintenance, we give special attention to the customer needs to deliver quality solution adhering to the industry standards.

## Vision

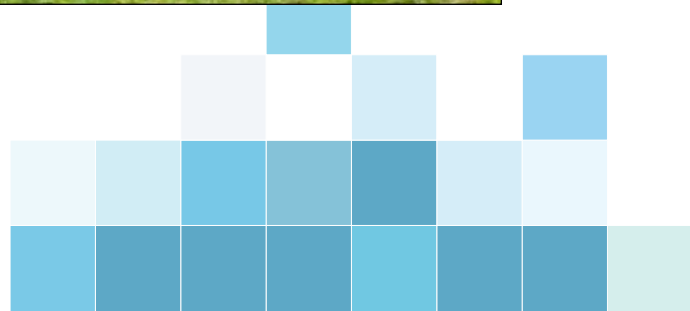

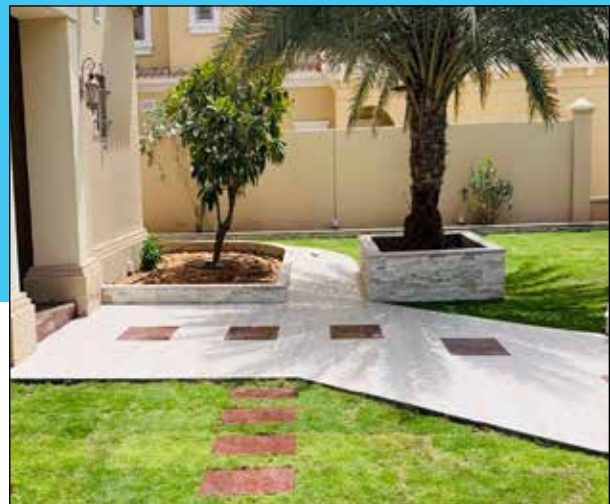

To be a one stop shop for all swimming pool related needs ensuring safety, customer satisfaction and happiness.

## Mission

To walk an extra mile by realising customer dreams and turn landscape vision of customer to reality.
